Minister for Local Self Government,
Public Offices, B A N G A L O R E

Sir,

In connection with the recent Municipal elections at Mandya, I beg to invite your kind attention to the following for favour of consideration

I have been actively interested in public life for over 20 years From the year 1922 I have been an elected Councillor of the Municipal Council, Mandya and Vice President for more than 9 years. And I was a member of the Representative Assembly for a term I also served as Vice President of the Taluk Board, Mandya, until it ceased to exist And I was one of the delegates selected by Government for the Local Self Government Conference which was held in the Dally Memorial Hall, Bangalore under the distinguished presidentship of late Mr Mir Humza Hussain, B A , I have striven my best to promote the public interests as a Chairman of the Ad-Hoc Scholarship Committee and I have had experiences as the Chairman of the Bench of Magistrates too in the town Though I am a Jain I have generally made myself useful to all communities in various otherways and I am very keen on continuing to take my usual interest in the civic life of the town

Had not the illness of my boy interfered in the recent election, I should have as a matter of course been elected But I failed unfortunately in the recent election by a narrow defeat of 6 votes

I will therefore request you to kindly consider my claims for nomination and eventually provide me with an opportunity of further serving the public It is not an exaggeration if I say that I have devoted half of my life to promote the public interest in the town and the taluk Even now I am in

in the Council Considering all these, as a special case my application may kindly be considered favourably

Thanking you in anticipation,

N Nagendrudu

I beg to remain,

Sir,

Your most obediently,

M N Nagendrudu

Sir,

Municipal Council, Mandya - Reconstitution of -

I have the honour to state that the Mandya Municipal Council which was constituted in G O No L 5646/M 109-40-14 dated 27-1-1941, for a term of three years having become due to be reconstituted with effect from the 1st of February 1944 action was taken to reconstitute the same as per Election - Rules and the President reports that in accordance with the calendar of events issued in this behalf the election took place on the 28th of November 1943 The President's letter copy of which is enclosed for reference, discloses that 34 candidates contested the elections and that out of 1044 votes in all, 766 attended the polls and 20 only out of the - votes recorded were invalid A list showing the names of the 15 candidates that secured the highest number of votes - and that were declared by the Municipal Council in its special meeting held on the 30th November to have been duly elected is also enclosed

The Municipal Council is to consist of 15 elected Councillors, 3 nominated members and 3 Ex-Officio members viz, the Assistant Commissioner in charge of the District Treasury who is also to be the President, the Executive Engineer, Mandya Division and the Health Officer, Malaria Control unit Formerly the District Medical Officer was one of the Ex-officio members of the Council but in G O No L 1900/M1 6542-2 dated 11-8-42, the Health Officer of the Rural Health Unit was appointed in his place Now it is stated that the Rural Health Unit has been absorbed into the Malaria Control Unit Hence the Health Officer Malaria Control Unit is proposed The list of successful candidates will show that - only four communities are represented therein, one Brahmins, the Vokkaligars, the Jains and the Mohamedans

P T O

The following communities also have a large population as noted against them

Adikarnatakas		1212
Banajigas	about	700
Christians	about	1000

Among Adikarnatakas and Banajigas, I would suggest that Messrs M C Cheluviah and A Venkatappa Setty, respectively may be nominated as members of the Municipal Council - These candidates have been members of the previous Municipal Council and are enthusiastic and willing to do their best for the welfare of the residents of the Town with the experience they have gained The population of Muslims in Mandya is over 1200 and the previous Councils have had two members of this community in their constitution In election only one member has been returned and I would - therefore recommend that Mr Mahaboob Khan, Merchant Mandya Town who is equally enthusiastic and respectable in the community may be nominated In this connection I may state that Mr Mahaboob Khan was one of the candidates who contested the elections but narrowly missed his chance His name is suggested in view of the comparatively large number of people of the community in Mandya Town and the fact that there were two seats for Muslims in the previous Council - one elected and the other nominated If the nomination of this person is not approved by Government, in the alternative I would suggest that Mr H Devadas of the Christian community who is the evangelist of the place may be nominated A list showing the particulars regarding age and qualifications of these four candidates is herein enclosed for reference I request that the Mandya Municipal Council be reconstituted as follows for a term of three years from 1st February 1944
